

RECENTLY Cllr Richard Davies formed a committee to organise a second visit to the old Fishguard lifeboat Charterhouse at Bangor North Wales. Two members of the Lomas family have accepted honorary committee status. The arrival of the lifeboat is scheduled for 20 June. The Charterhouse will be placed on a trailer near Fishguard Lifeboat Station, pending her restoration and future placement within the new marina. A website has been created to keep the project up to date - visit www.CharterhouseReturns.com. And a limited edition book, *Fishguard Lifeboat 1909 Charterhouse Centenary 2009*, is available from project treasurer Phil Davies on 01348 870214. The committee is looking for help in restoring the Charterhouse, as well as financial sponsorship. Pictured left are Phil Rees, Bob Wheatley, Richard Davies, Neil Lomas and Steve Dunn, Fishguard Lifeboat at Bangor Harbour.
